For nearly a decade, almond milk has been a favorite of coffee drinkers around the country—it pairs so well with so many different origins, roasts, and flavors. Now available in both unsweetened and lightly sweetened varieties, there's a Barista Series™ Almond that's perfect for every café's needs. Either way, you're getting an Almond milk that steams like dairy and has been rigorously tested by coffee workers around the country to ensure that these nut milks—like all Barista Series products—are Barista Inspired, Barista Approved.®

**Barista inspired. Barista approved.®**
